ROADSHOW 2008

INVITATION

Manufacturer-Independent
Device Operation
in Process Automation

Manchester, November 11, 2008

Stadium tour included!

Cork, November 13, 2008

**Places are limited,
so book NOW!**

How can you reduce the cost of device operation?

How can you optimise your system efficiency?

How can you choose freely among manufacturer-independent communication components and field devices?

By using only one operating tool for commissioning and maintenance!

Manchester, November 11, 2008

City of Manchester Stadium

Cork, November 13, 2008

Sheraton Fota Island Hotel
